"SPEECH ON INDEPENDENCE DAY"

I wish you all a very happy INDEPENDENCE DAY. We are all excited in celebrating this great day in such an excellent manner.

Pandith Jawaharlal Nehru had given a speech on Independence Day in New Delhi. When people all over the world we are sleeping, people in India were walking to get freedom and life of the British rule now after the independence India has been a largest democratic country in the world. Our country is a most famous country for the saying of unity in diversity. It faces many incidents testing its secularism. However Indian people become always ready to answer with their Unity. Because of the hard struggles of our forefathers we are now able to enjoy the freedom and breadth fresh air, according to our wish getting freedom from the Britishers was really an impossible task our forefathers did with continuous efforts.

We can never through the story. We cannot remember all the deeds of all the freedom fighters in a day only however can give them a hearty salute. They would always be in our memories and way of inspiration to us whole life. Today is the very significant Day for all Indians which or celebrate remembering sacrifices of great Indian leaders who had given their lives for the freedom and prosperity of the country. Freedom of India was possible because of the co-operation sacrifice and involvement of all the Indians we should value and solute all the Indian citizen because they are the real National heroes. We should keep faith in the secularism and never be separate to maintain the unity so that no one can break and rule again. We should take an oath today of being highly responsible and well educated citizens of the tomorrow India we should sincerely perform our duty and do work to get the goal and successfully lead this democratic Nation
