The MGVC College has established a registered Alumni Association under Registration No. DRVJ/1491/2018-19, in accordance with the Karnataka Co-Operative Societies Registration Act of 1960. This association serves as a vital link between former students and the institution, facilitating ongoing communication regarding the college's growth and development. Additionally, it plays a significant role in organizing educational events on campus to strengthen ties with the institution. Formed in 2003, the Alumni Association aims to provide a platform for outgoing students to influence quality enhancement initiatives within the college. Alumni who have excelled in various fields contribute to fostering a culture of quality improvement. The association convenes a meeting at the beginning of each academic year, playing a crucial role in nurturing and maintaining enduring relationships among former and current students, as well as between the institution and the broader community. Below are some notable alumni from the college.

The college has provided significant opportunities for the Alumni Association. Their guidance and support for students have been invaluable over the past decade.
