**Prof. S. N. Poleshi**

Principal

M.G.V.C Arts, Commerce &  
Science College, Muddebihal.

## Library

The college is proud of the rich collection of books, journals and periodicals in its library. In all there are 34,959 books worth of Rs. 19.50 lakhs and also there are 10,775 books worth Rs. 11 lakhs from UGC grants. It supplements the learning process of the students and teachers. The library has a reading room facility with periodicals, news papers, reference section, book bank reprography and network resource centre. Apart from these the library provides text books to meritorious and needy students which they can use for a year. The library budget is utilized carefully not only to buy text books but also to enrich it with academically updated reading materials.

## Laboratories

Our college has spacious and well equipped laboratories in Physics, Chemistry, Botany, Zoology, Bio technology, Statistics, Geography language and Computer subjects. The Botanical garden of the college, besides serving the study requirements of the Botany department, has beautified the college campus with its green natural environment.

## Cultural Activities Forum

The students of our college are mostly having rural background. They possess naturally varied mental, emotional and cultural talents. This Forum is the right platform to bring out and exhibit these talents. Debating and essay-writing competitions, quiz, singing songs, entertainment programmes are conducted by the Forum.

## Sports Dept

Our College has wide playground with all the facilities for outdoor and indoor games. The dept, has well qualified Physical director various sports activities are conducted in the college. The dept, has an indoor, outdoor stadium and a gym facilities. Special support is given to outstanding men.

## NSS/ NCC/ Scouts/ Guides

College has units like NSS, NCC & Scout and Guides. These units strive to enhance the social service and spirit of leading the nation in promoting national integrity among the students.

## Alumni Association

This association brings together all the stake holders of our college on one platform to facilitate the progress of the group of students of today and future.

## Human Rights Forum

Human Rights Forum established in our college on 4<sup>th</sup> April 2009. It creates Human Rights awareness among students. We have organized series of programs for students by inviting experts, Judges, lawyers and university professors.

## Kannada Sangha

The association is conducting various activities with the objective of creating awareness about the language, literature and culture in Kannada as well as of Karnataka. It also invites experts and conducts Guest lectures for the benefit of the students.

## Science Forum

The Science Forum has come into existence in the year 1987. It is also the member of the Karnataka State Science Parishat. The Forum is celebrating the National Science Day on 28th February every year. It also conducts Quiz, Essay competitions, Seminars in which the students are taking active participation. The eminent personalities in the various Science subjects are invited to deliver the guest Lectures through the Forum.

Thus, the Science Forum of our college is creating awareness in Science and developing scientific mind in the students.

## Planning Forum

With the main objectives of creating awareness in the minds of the students about India's Five year plans and their appraisal of progress made, the Planning Forum was established in our college in the year 1976. Since then the Forum has been active in arranging special Guest Lectures conducting Seminars, Symposia, Elocution, Industrial Visit and Quiz competitions for the benefit of the students. Thus the students, specially those who offer Economics as one of the subjects for their degree course are made to take keen interest in the subject and related topics.

There are also other Forums & cells such as Social Science, Forum, Commerce Forum, Health Cell Student Welfare Cell, Students Grievances Cell, and SC/ST Student Cell are activity working in college.

## Women Empowerment cell

The association is active in conducting the Guest lectures & awareness programme on various subjects related to women and women empowerment. All the girl students of the college are participating in the functions arranged. Cultural activities are conducted to exhibit the latent talents of the girl students.

## Endowment

There are endowment prizes (Datti Nidhi) in the Institution. The money is instituted in our college. Annually accrued interest amount on these amount deposited in banks, is collected and awarded as cash prizes to the meritorious students every year in "Pratibha Puraskar" function.

The students studying in B.A program are expected to come out with the following qualities to achieve their ends –

- Inculcation of moral and human values.
- Sense of social responsibility and service.
- Critical Thinking
- Creative ability
- Soft skills and life skills.

### **Course Outcome : Kannada**

- Developing language.
- Enabling the students to analyse and review the literature work
- Availing the job opportunities In translation, transformation and media.
- Increasing the critical attitude about literary studies.
- Imbibing the literary research attitude.

### **Course Outcome : English**

- To be able to comprehend and interpret minimum literary texts (poems, essays, short stories)
- The learner should develop confidence in the listening, speaking, reading, and writing.
- To be able to do short tasks like drafting/ dialogues/ reports and the like.
- Critical study of English Literary Studies.
- Improvement in Communication Skill.

### **Course Outcome : Hindi**

- Developing reading, writing, speaking and listening skills.
- Availing the job opportunities in translation
- Increasing the critical attitude about literary writing.
- Creating an interest in literature.
- Development of self directed understanding of language and capability self expression by studying drama poetry.

### **Course Outcome : Urdu**

- Understanding the literary works of Urdu
- Developing language.
- Enabling the students to analyse and review the literature work
- Availing the job opportunities in translation, transformation and media
- Increasing the critical attitude about literary studies.

### **Course Outcome : Economics**

- Understanding the fundamentals of micro and macro theories and policies
- Understanding the Market morphology, Price and output determination and price policies.
- Developing research knowledge in economics.
- Developing the skills of data collection, conducting economic survey and project work.
- Developing the knowledge about theories of economic growth & development and issues of economic planning.
- Understanding the implications of Indian Economy.
- Understanding the basics of Public Finance and fiscal policy.
- Knowledge about import and export trade and foreign trade policies.
- Understanding entrepreneurial.

### **Course Outcome : History**

- Understanding the background Karnataka, Indian European history.
- Duty towards the conservation of ancient monuments, inscriptions, sculptures, etc.
- Growing opportunities for the development of tourism.
- The knowledge creates ability in a student to face competitive exams.

### **Course Outcome : Political Science**

- Understanding the basics of political theories and laws.
- Knowledge about political system of the nation.
- Study of national and international political affairs.
- Study from competitive examination point of view.
- Understanding the government mechanism, its functions, duties and responsibilities.
- Creating appropriate and efficient political leaders.
- Getting knowledge of Constitution of India.

### **Course Outcome : Sociology**

- Understanding the structure of the society including social transaction, social relations, social formations social control social values and culture
- Understanding the social problems, consequences and remedies.

- Knowing the significance of social institution caste system, religion, nationalism, integrity, quality and justice.
- Getting the knowledge about social reformers and their works.
- Ability to follow new stream of thoughts and theories of social thinkers.
- Getting the deep knowledge about various social groups of the society.
- Ability to carry research in social problems and development.

#### Course Outcome : Geography

- Understanding the geographical features of the world.
- Understanding the global environmental issues
- Serve as conservator in forest, Soil, Agri Departments.
- Work in disaster and water resources management.
- Serve on forest department as forest conservator.
- Serve in cartographer in map making divisions of Government.
- Work in NGOs.

#### Course Outcome : Education

- Understanding the current scenario of Indian Education System.
- Understanding the thoughts of Indian and Western Educationists.
- Knowledge of the Administration of the Education.
- Knowledge of the use of technology in the education,
- Understanding the problems, causes, consequences and remedies of Indian education system.
- Understanding the role of the state in promoting education.
- Understanding the role of a teacher and student in education.

#### Course Outcome : Applied Statistics

- To understanding the analytical and graphical skills
- Capable of making surveys
- Can work as a statistical investigator/ officer in Government and Private organizations
- Capable of facing competitive examinations.

#### Program Outcomes – B.sc

Students taking admission to this program of B.Sc are expected to possess the following outcome qualities :

- Explaining the basic scientific principles and methods.

- Inculcating scientific thinking and awareness among the student.
- Ability to communicate with others in regional language and in English.
- Ability to handle the unexpected situation by critically analyzing the problem, I e Understanding the issues related to nature and environmental contexts and sustainable development.

#### **Course Outcomes – B, Sc Physics**

- Understanding the elementary and fundamental knowledge knowledge of physics
- Knowledge of general physics like sound wave, friction forces and laws of motion and use of mathematics.
- Information of electrical current, circuits, construction and their use.
- Learning about concepts of nuclear physics and unclear energies and importance of their use for mankind.
- Knowing about energy sources and renewable and non – renewable energy sources.
- Knowing about the light and its importance in life, its characteristics. Properties and use in various instruments

#### **Course Outcomes B. Sc Chemistry**

- Creating interest in environmental issue.
- Increasing working knowledge of instruments.
- Obtaining the knowledge of pharmaceutical tables
- Social awareness about the quality of water
- Increasing the practical skill of the students
- Awareness about plastic garbage.

#### **Course Outcomes – B. Sc Botany**

- Identifying different groups of plants
- Identifying different resources helpful for human life.
- Acquiring knowledge about inheritance, biochemical and metabolic activities.
- Development of horticultural skill
- Acquiring knowledge about importance of environment.
- Acquiring the knowledge of Bio Technology

#### **Course Outcomes – B. Sc Zoology**

- Improving the knowledge about criteria for animal classification.
- Study of salient features of chordates and non – chordates.

- Improving the knowledge of animal about their special adaptation and evolutionary relationship.
- Scientific study of their nature of habitant with environment.
- Improving information about external morphology and anatomy of animals including human being.

#### **Course Outcomes – B. Sc Mathematics**

- Ability to calculate and reason to design complex and critical financial models for Bank and Insurance Companies.
- Ability to understanding both concrete and abstract problems.
- Ability to make critical observations.
- Ability to accurately organize, analyze and interpret data
- Develop the mathematical logic which is very useful for solving mathematical reasoning problems.

#### **Course Outcomes – B. Sc Statistics**

- Application of statistics in various walks of life.
- Ability to apply various statistical tools to research problem.
- Understanding how to collect, Present, analyze and interpret the data.
- Knowing the statistical organization in Indian and abroad
- Ability to build statistical knowledge.

### **BACHALOR OF COMMERCE (B.COM)**

#### **Program Outcomes**

Students who have taken admission to this program B.com are expected to concentrate upon the following outcomes.

- Commercial sense.
- Develop managerial skills.
- Entrepreneurial skills
- Budgeting policy
- Human Resources Management.
- Develop Numerical ability.
- Well versed with business regularity framework.
