Human Rights Forum

Human Rights Forum

Human Rights Day is celebrated on 10th December every year. United Nations general assembly proclaimed The universal declaration of human rights on 10th December 1948. Since then many countries including India. Celebrate their people of different nationality, religion. Caste, color, language etc. are made aware of their basic rights are the basic rights which every human being requires during the birth.

The main objective of human rights day is to protect and promote the human rights and individual. This rights event of the day are entered on making the people aware of their own human rights it also seeks to bring a sense of responsibility is to the authorities and also to make them accountable for any women rights violation. Human Rights give us freedom to develop choices and potential about the life.

Objectives

- To protect human being**
- To develop individual self respect**
- To value human dignity**
- To promote respect understanding and appreciation of diversity**
- To promote democracy social justice and friendship among people and Nations.**
