## "SPEECH ON INDEPENDENCE DAY"

I wish you all a very happy INDEPENDENCE DAY. We are all excited in celebrating this great day in such an excellent manner.

Pandith Jawaharlal Nehru had given a speech on Independence Day in New Delhi. When people all over the world were sleeping, people in India were walking to get freedom and life of the British rule now after the independence India has been a largest democratic country in the world. Our country is a most famous country for the saying of unity in diversity. It faces many incidents testing its secularism. However Indian people become always ready to answer with their Unity. Because of the hard struggles of our forefathers we are now able to enjoy the freedom and breath fresh air, according to our wish getting freedom from the Britishers was really an impossible task our forefathers did with continuous efforts.

We can never through the story. We cannot remember all the deeds of all the freedom fighters in a day only however can give them a hearty salute. They would always be in our memories and way of inspiration to us whole life. Today is the very significant Day for all Indians which or celebrate remembering sacrifices of great Indian leaders who had given their lives for the freedom and prosperity of the country. Freedom of India was possible because of the co-operation sacrifice and involvement of all the Indians we should value and solute all the Indian citizen because they are the real National heroes. We should keep faith in the secularism and never be separate to maintain the unity so that no one can break and rule again. We should take an oath today of being highly responsible and well educated citizens of the tomorrow India we should

## “MASK DISTRIBUTION PROGRAM”

### REPORT

The novel COVID-19 is an infectious disease caused by a novel corona virus and can be transmitted from person to person via contact with respiratory droplets. Major prevention methods recommended by the WHO are clean hand with soap and water, maintain social distancing, avoid touching eyes, nose and mouth and different measures of protection based on situation.

Masks should be used as a part of comprehensive strategy of measures to suppress transmission and save lives. Face coverings limit the volume and travel distance of respiratory droplet dispersed when talking, breathing and coughing. A face covering reduce the chances of infection. Our college NCC CADETS distributed masks to those who can not afford or do not have access. The distribution of masks is conducted in market area, bus station and college road. This mask distribution program was conducted on 3rd SEP 2021 under the supervision of LT. H.G.PATIL, Our college staff members DR.B.A.Guli, DR.R.H.Sajjan, Prof.V.S.Lamani, Prof.M.LBiradar also participated in the mask distribution program. Our NCC CADETS participated in this program with full enthusiasm. The management appreciated the event conducted by NCC CADETS.
