Alumni Association Contribution to the Institution: MGVC College has registered alumni association. Reg No: DRVJ/1491/2018-19 Karnataka Co-Operative societies registration act 1960. Alumni Association bridges the widening gap between the former students and the institution to keep them in touch with the present growth, development of the institute. At the same time its role in organising socio-cultural, educational events in the college premises to strengthen its relation with the institute with the passing of each day. The Alumni Association of college was officially formed in the year 2003 with a purpose to have a say in certain matters of our outgoing students to better the quality enhancement processes of the institution. The Alumni who have been successfully developing their services in various sectors formed the executive committee and went on putting its contribution to enhance the quality culture. The association organises a meeting in the first month of each academic year. The Alumni association mirrors the positive efforts undertaken by the institute to enhance the quality at external as well as internal level. It has a pivotal role in shaping and preserving a lasting relationship between the former and existing students on the one hand and the institute and the society on the other.
