Certificate Course on Urdu Calligraphy

What is Urdu calligraphy?

Calligraphy in Urdu script is considered an art form. It is often used to write a verse or saying, or someone's name or a title. The images created by a calligrapher can be abstract shapes, or sometimes forms of objects or animals.

The purpose of calligraphy is to "show integrity, harmony, some sort of ancestry, rhythm and creative fire." Calligraphy is not like ordinary writing meant for ordinary communication. Calligraphy is art in the sense that its purpose is to produce aesthetic writing.

Objectives :

- Calligraphy is the art of writing created for beauty as well as to convey ideas
- Calligraphy allows you to see each word and phrase, the way a painting allows you to put words to the story depicted
