Youth Red Cross (YRC)

Youth represent a substantial part of the membership of the Red cross for its humanitarian commitment. Young valuator can make a significant contribution to meeting the needs of the vulnerable people within their local committees through Red Cross youth Programme. This has been designed to involve young people as much as possible in the movement and its activities not only as workers and also as beneficiaries, but as partners in management. Youth Red Cross is a platform where youth can exhibit their talent, skills, knowledge, ability towards the welfare of the people and primarily youth Red Cross focus on Health, Service and Friendship.

Youth Red Cross is to inculcate in the youth of our country an awareness on the care of their own health and that of others the understanding and acceptance of civil responsibilities and acting accordingly with humanitarian concern to fulfill the same to enable the growth and development.
