## Report

Majority students of our college are drawn from agricultural background families. The study of APMC is part of Economics Syllabi. Hence, students are expected to understand the functioning of Agricultural Produce Marketing Committee (APMC) which is known as Regulated Market. Accordingly the Department of Economics arranged one day visit to APMC, Muddebihal on 31<sup>st</sup> August, 2021. A total of two faculty members and 18 students made visit to APMC and Commission Agent Trading Companies in the market yard.

The students interacted with officials of the APMC, Trading Agents and understood the mechanism of agricultural marketing, special schemes and facilities etc, available for farmers. Information gathered during the field visit enabled students prepare field visit report. This participatory learning made them understand proper functioning of APMC.
