Certificate Course in Handicraft Skills

Learning the arts and crafts doesn't just foster the creative development of a child but also assists in advancing and refining the student's core skills, which in fact goes to words boosting academic achievement as well.

The Handicraft Sector plays significant and important role the country economy. It provides employment to a vast segment of craft persons in rural and semi urban areas and generates substantial foreign exchange for the country, while preserving its culture heritage.

Handicraft and artist creations allow you to innovate, create and find solutions to problems.

It promotes our cultural heritage through the use of indigenous materials. Handicraft produce show an individuals creativity and imagination. Produce of raw materials will be encouraged to produce more. Employment in generated especially for the undergraduates.

We conducted BoS meeting in our college to frame the curriculum for C-Programming Certificate Course. The Trainer prepared the curriculum of 31 hours duration. We prepared compete chart of the programme with time table and limited the registration of students 30. The curriculum consists of theory and practical's.

The BoS includes 05 members theory and practical classes were conducted according to the time table without interruption of regular classes.

After completion of the certificate course the certificates were distributed to the students. The students shared their experience that they got compete knowledge with satisfaction and shown interest.
